TOWN OF BELVIDERE

NOTICE OF 2026 - 2027 WINTER ROAD POLICY

Any vehicle parked in the town highway right-of-way and is interfering with the winter maintenance of the road, may be towed at the owner's expense.

Also, personal property, large equipment, and unused or junk vehicles must be kept beyond the right-of-way of the town highway.

The town right-of-way is 25 feet from the center of the road to each side of center.

Anyone plowing snow from driveways or other areas should not push snow onto or across the traveled lanes of town roads, as this may be a hazard to motorists.

Any fence within the right-of-way may suffer damage during the snow removal season, with repairs being the responsibility of the fence owner.

Thank you for your cooperation.
